Activity

Analyzing Historical Maps

Analyzing historical maps can help you better understand where events occurred and their effects. Look at the map below of the Crusades, then answer the questions that follow.

Copyright © by The McGraw-Hill Companies, Inc.

- Which four time periods are shown on this map?

- Look for the Crusaders who took the longest route to Jerusalem. Which Crusade was this? Where were they from? Through which cities did they pass to get to Jerusalem?

- Describe the area on the map that is Christian.

- Which areas are Islamic?
